NEWARK, OHIO, Tuesday, March 17, 2020: Information and guidance is changing rapidly regarding the COVID-19, and the Licking County Commissioners are committed to keeping our employees and residents safe and informed. Effective Tuesday, March 17, 2020 at 1:00pm and until further notice, the Board of Licking County Commissioners will temporarily restrict access to public offices under their hiring authority. Offices and departments will remain open for public business by appointment only. The Board of Commissioners will monitor guidance provided by state and local public health officials and the Centers for Disease Control and Prevention for additional operational considerations.

All emergency dispatching and 9-1-1 operations will remain fully functioning. If you have an emergency, please call 911.

Please visit http://www.lcounty.com for additional information regarding county facility operations.
