Liberty Township Drop Off Recycling Site Is Moving

Newark, OH – February 28, 2022: The public drop off recycling site in Liberty Township is moving to a new location at the corner of Rt 62 and Dutch Lane in northwestern Liberty Township. The address is 7970 Dutch Lane Road, Johnstown.

The recycling bins currently at the Liberty Township Garage at the intersection of Northridge Road and Sportsman Club Road will be moved after they have been emptied on Friday March 4. Licking County residents can begin using the new site on March 4.

The new site is owned by Licking County and seasonally used by the County Highway Department. “We are thankful to be able to share the use of this property with the Highway Department, so we can both serve the residents of Licking County” said Licking County Recycling Director, Andrea Krava.

Residents are encouraged to understand what is and is not accepted in the recycling bins, so items can be properly separated and eventually be re-used and made into something else. Dumping of bulk items inside or outside of the bins is illegal.

Licking County Recycling contracts with Rumpke to empty the recycling bins and separate recyclable materials. The following materials are accepted in the bins:

- Cardboard boxes
- Paperboard
- Office paper
- Junk mail and envelopes
- Cartons (milk, broth, and juice)
- Glass bottles and jars
- Plastic bottles, jugs, and tubs
- Aluminum and steel cans

For more information about Licking County’s twenty-four public recycling drop off sites, visit www.Lcounty.com/RLC or call 740-670-5125.
